WITH YOU ON YOUR JOURNEY. EVERY DAY. EVERY OCCASION.

# VITALITY HYDRATION RANGE

The Smash Vitality Hydration Range consists of premium, design-forward reusable water bottles that integrate modernised design with astute functionality.

Each bottle has one button quick access, removable antimicrobial spouts and are 100% leakproof. Its seamless cap design features lock functionality and a hygienic cap in both a Sipper and Chugger. Both formats have been engineered for fast hydration with the Sipper offering the unique combination of Tritan™ and Stainless Steel for the cleanest of tastes. These bottles provide a premium offer at a mid-market price point making them a crowd favourite.

With benefits more than just its aesthetics, our new Vitality Range is designed to be used by everyone, every day, for all occasions.
